The Polish Society of Nutritional Sciences (PTNŻ)
the Warsaw Division
of the Polish Society of Nutritional Sciences

are pleased to invite you to

the PTNŻ International Scientific Conference Nutrition and Quality of Life of the Elderly

which will take place in hybrid form on

23-24 June 2021 in Warsaw, Poland

The conference is a continuation of the cyclical scientific meetings of the PTNŻ, organized every two years by the divisions of the Society.

The conference aims to exchange views and experience, present the latest research findings in the field of human nutrition, conducted by domestic and foreign scientific centers. This year's international PTNŻ conference will focus on the role of nutrition in maintaining health and psychophysical well-being of the elderly.

Conference topics:

- ❖ Diet, nutritional status and quality of life in the elderly
- ❖ Nutritional supplementation in the elderly
- ❖ Prevention of diseases in the elderly
- ❖ Healthy ageing programs and strategies - "successful ageing"
- ❖ Consumer behavior and needs of elderly people
- ❖ Nutrition of the elderly during the COVID-19 pandemic
- ❖ Current problems of human nutrition sciences

We hope that conference will receive a great deal of attention and support from experts and professionals from many fields, especially from those who conduct research in nutrition, dietetics, public health, food science and whose work contributes to a better understanding of the relationship between nutrition, nutritional status and health of the elderly and their quality of life, as well as widely understood human nutrition issues.

We cordially invite you to the Conference.
